

Electronic ballot on motions on the Final Revision Draft of the IFOAM Basic Standards

Instructions for electronic voting:

1. Read the motions. To see the context of the motions, refer to the Final Revision Draft of the IBS (The final revision draft and the motions are also posted on the ballot website)
2. Go directly to the ballot (with automatic authorization) by clicking the respective link in the invitation e-mail
or
go to <http://www.campus-vote.com/elections/org/IFOAM/> and enter your personal registration code for authorization. Your personal registration code was sent to you in the Invitation e-mail.
3. Press the “Login to the on line ballot system” button
4. Click the “Motions on the Final Revision Draft of the IFOAM Basic Standards” link (this will lead you to the actual ballot)
5. Vote “**Yes, motion supported**” or “**No, motion not supported**” by clicking the appropriate tick box (*Items left blank are treated as an abstention and not included in the counting.*)
6. Press the “Verify the ballot” button this will lead you to the final page.
7. On the next page confirm your vote or modify your vote by pressing the respective button.

This document is not a voting document.

USE THE ABOVE INSTRUCTIONS TO CAST YOUR VOTE ELECTRONICALLY.

If you send this document back to IFOAM your vote will be considered **invalid**.
